22 December 2020

Blessings to the Vicars and all the faithful members of the Diocese of UK- Europe and Africa:

Merry Christmas to all of you!

We are fleeting through the days of the Nativity Lent and looking forward to celebrate the most joyful occasion of the year- Christmas. This year the whole world is passing this period with uncertainty, anxiety and agony due to COVID19 Pandemic.

Let us take the situation in Christian Spirit and re-affirm the hope in His Love which would save the world from all causalities. If we observe through the lines of history, humankind had overcome many devastating turmoil. Heavenly Lord saved the universe from all the evil powers and we shall keep our firm faith in God which is the only way forward for the betterment of our lives.

Our Lord Jesus came down to earth to save the world. May the Joy of Christmas 2020 be a new beginning for us and let Jesus come to our lives and save us from all the agonies. Like the three wise men who followed the star to reach the light of the world from their darkness, let us follow Christ and reach out the everlasting life of Joy and Peace.

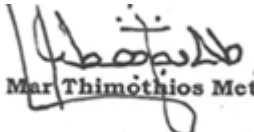

We urge all of you to Praise God for all what we received and kept us safe in the past years. We all had difficult times in the last year. Let us pray for the coming year cherished with new hopes and We Pray to almighty God to bless us with a promising and fulfilling New Year ahead.

My dear children, We would like to remind you may celebrate this festive season responsibly and by following the local government guidelines.

Marry Christmas and Happy New Year 2021 !

May God Bless

Your Spiritual Father and Shepherd

+ Mathews Mar Thimothios Metropolitan
