Blessings to our students and youth in Diaspora;

Our Dearly beloved Children in Lord!

Christ is Risen!!! Indeed He is Risen!!!

Wish You all a Peaceful Easter.

Midst of all the present agonies and uncertainties in the world, We would take this opportunity to wish you all a Blessed feast of Resurrection.

This is the time to get hold of the Hope and Joy of resurrection. Our Lord suffered a lot and undergone horrific dishonourable trials and got crucified by men. By the will of Heavenly Father, third day He rose above the death for the salvation of the world. Easter is the occasion to remind us the light of hope over the darkness of anguish and fear.

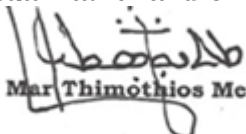

Dear Children, every moment in these days of distress in the world, you all are in Our thoughts and prayers. We assure in Lord that you all will be safe and protected under the wings of heavenly angels. Nothing to be worried and no evil forces will endanger the children of God. We all are in prayers for your well-being, health and safety. You may keep all the negative thoughts away from your mind, continue pray to God Almighty for the heavenly blessings. The word of God will give you strength and courage in difficult situations. You should remember to maintain good health practices and always be cheerful.

The courage to sustain the sufferings is the message of true Christian life. We have seen the sufferings of our Lord which enables us to meet any causalities in this world. At this juncture of the struggles our responsibilities are to pray for each other and for the world, provide help and support to the affected ones as far as possible by each one of us. You should be in regular contact with your parents, friends and relatives which would boost your confidence level as well as give comfort to your dear ones. We shall remember the good work being done by the doctors, nurses and all the frontline staff in hospitals and other key areas of the daily life to tackle the pandemic. Let us pray to God to give them physical and mental strength to accomplish their duties.

We would like to wish you all the success in your work and studies.

Once again wish you all a Happy Easter!

Your Spiritual Father and Shepherd

+ Mathews Mar Thimothios Metropolitan
