Blessings to the Vicars and the faithful members of the Diocese of UK-Europe and Africa:

He is Risen! Indeed He is Risen!

Dearly beloved in Resurrected Lord,

Thanking Lord Almighty for granting us all a blessed occasion of the celebration of our Lord's resurrection amidst in these difficult circumstances. With available infrastructure and making the best use of the technology we could conduct the Holy week Liturgical services in most of our Parishes and Congregations.

Liturgical music is one of the main elements in our worship and for our Holy Sacraments. Our Holy Fathers had set up the Liturgical songs and Chants with great devotion and with utmost diligence. The rhythm, tune and modulations are distinctly set for different occasions and periods of the liturgical year. Our Church has a centralised training programme for teaching and developing the Liturgical music. This has been undertaken under Sruti School of Liturgical Music under the supervision of the Orthodox Theological seminary.

We are planning to start a one-year Certificate course for Orthodox Liturgical Music for the members of Diocese of UK-Europe and Africa under the Sruti School Of Liturgical Music. We hereby appoint Fr Eldo P Varghese as the Coordinator for this course for our Diocese. It is intended to start the classes by 15 May 2021 and the course fees will be £150 per year. The desired applicants should send the applications before 30 April 2021. More details of the course and the selection process is hereby attached. If any further queries you may contact your Vicar or you may communicate directly to Fr Eldo P Varghese.

We wish and Pray all the best wishes and success for the programme.

Keeping all of you in Prayers

God Bless
