Annual Report 2025 – 2026

"For where two or three are gathered together in my name, I am there in the midst of them." (Mtt 18:20)

With thanksgiving to Almighty God, we humbly present the Annual Report of the Akhila Malankara Prayer Group Association (MOCPA) for the period from 1 May 2025 to 30 April 2026.

The MOCPA has been established with the noble vision of nurturing prayerful lives and strengthening the habit of Holy Scripture reading among the faithful of the Malankara Syrian Orthodox Christian Church. Our mission remains to foster steadfast faith, deepen love for the Holy Church, and promote unity in Christian brotherhood, while contributing to the spiritual, material, and educational upliftment of our community.

Rev. Fr. Mathews Kuriakose continues as the Vice President and Mr. Wilson George as General Secretary of MOCPA.

Lenten and Prayer Activities

Advent Fast (Nativity), Three-Day Fast (Nineveh) and Great Lent: Special Zoom evening prayer meetings were reverently conducted during the 25-day Advent Fast, Three-Day Fast and the Great Lent. With great joy, we record the active participation of more than 180 families each day. These blessed gatherings to praise and glorify our Lord Jesus Christ have been a source of immense spiritual grace, fellowship, and unity.

Bible Study Classes: Weekly Bible study sessions were initiated in various parishes, encouraging deeper engagement with the Holy Scriptures and strengthening fellowship among the faithful.
