**Blessings to all the Vicars and Youth members of the Diocese of UK-Europe and Africa
in the name of the blessed Holy Trinity:**

Dearlly beloved in Christ,

I am delighted to announce that the Annual Orthodox Youth Conference will be held from Friday, 11 October 2024, to Sunday, 13 October, 2024. This year's conference will take place at Kingswood Colomendy, Loggerheads, Near Mold, Wales CH7 5LB.

The theme for this year's conference is "Divine Algorithms: Orthodoxy in the Age of Artificial Intelligence", inspired by St. John 16:13, "When the Spirit of truth comes, he will guide you into all the truth."

There is a panel of resource people who will guide our youth through engaging and thought-provoking sessions:

Renowned Oriental Orthodox Theologian, Fr.Dr. K.M. George

Young Theologians, Fr. Jobin Thomas Abraham, Fr. Jipson Thomas and Ms. Tijana Petković-Bertsch.

The OCYM Diocesan Committee has initiated the registration process, and due to limited availability, we urge all youth members to complete their registration at the earliest opportunity. It is important to register promptly to secure a place at this transformative event.

We look forward to the active participation of our youth members and their enthusiastic engagement with the spiritual and intellectual opportunities this conference offers.

May the Holy Spirit bless all our endeavors and guide us into all truth.

+ Metropolitan Abraham Stephanos
